

ART CLASS HOMEWORK

Symmetry and asymmetry concepts

Un dibuix és simètric si al dibuixar una línia recta per la seua mitat podem veure que les dues parts són iguals (1r dibuix). Si no són iguals diem que és asimètric (2n dibuix).

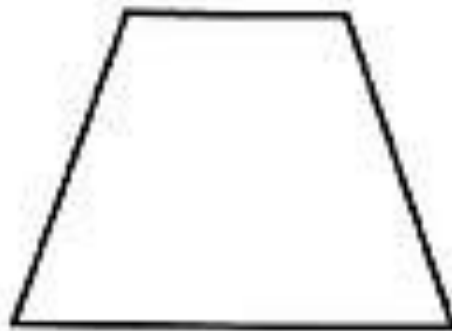

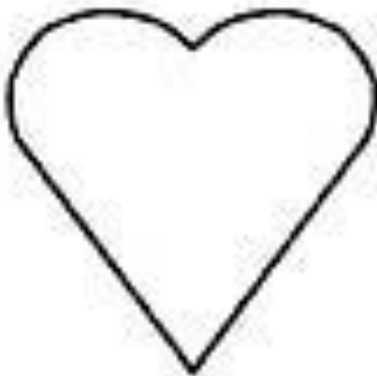

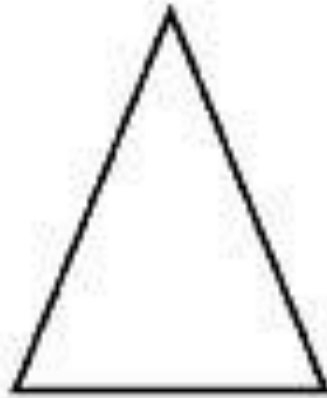

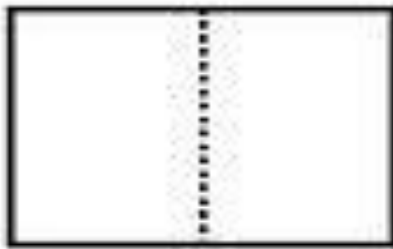

1. *Activity 1: use the ruler.*

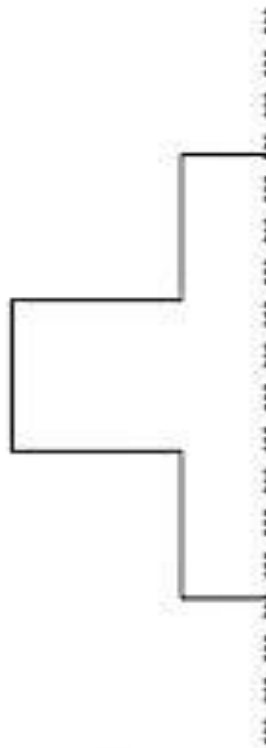

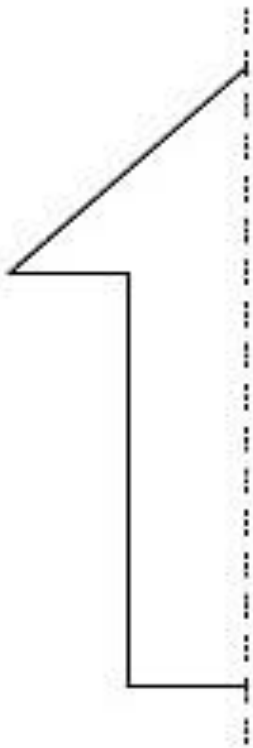

Name _____ Date _____

Lines of Symmetry

Draw the lines of symmetry for each shape.

2. Activity 2: Draw symmetric drawings and colour them.
